Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

NOTICE OF NON-RESPONSIVE AMENDMENT

The reply filed on February 28, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant should provide, on the information disclosure statement of October 27, 2005, the publication date of or the public sale date of the non-patent literature documents. It is also noted that two pages from the johnlewis.com website have been submitted, although only one of the pages has been listed on the form 1449. Note that the pages have different identifying indicia at the bottom thereof. The identifying indicia for one of the pages is listed on form 1449. In addition to providing the publication dates/public sale dates on the form, the second document should also be added if it is intended to be considered.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Milton Nelson, Jr. whose telephone number is (571)

Art Unit: 3636

272-6861. The examiner can normally be reached on Mon-Thurs, and alternate Fridays, 5:30-3:00 EST EST.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
